

Website/Newspaper Announcement

The City would like to encourage property owners to participate in the 2011 sidewalk replacement cost share program. Applications can be picked up at City Hall or downloaded from the City Website at www.delta-co.gov. Completed applications should be turned in to City Hall by close of business on 30 June 2011. Applications will be ranked based on the condition of the concrete and an onsite inspection by public works personnel. Property owners will be notified if they have been accepted into the program. The City will bid the project competitively and select the most qualified bidder. Each eligible applicant will be required to pay for half of the project prior to the contractor beginning work. Notifications will be sent out prior to replacement work commencing. Please contact Jim Hatheway, Public Works Director at 874-7912 if you need further information.
